**CONNECTED TRANSACTIONS**

**THE TRANSACTIONS**

On 1st April 2022, (i) U-Tech (a wholly-owned subsidiary of the Company) had countersigned and returned to Ultra Keen the First Letter of Nomination in respect of the confirmation of the nomination of U-Tech as the sub-contractor to carry out Fire Services Installation Works at the Property; and (ii) Alpha Idea (a wholly-owned subsidiary of the Company) had countersigned and returned to Ultra Keen the Second Letter of Nomination in respect of the confirmation of nomination of Alpha Idea as the sub-contractor to carry out Town Gas Installation Works at the Property.

**LISTING RULES IMPLICATIONS**

As Ultra Keen is indirectly owned as to 30% by Henderson Land, a controlling shareholder of the Company, it is an associate of Henderson Land and therefore a connected person of the Company under the Listing Rules. Accordingly, the Fire Services Installation Works and Town Gas Installation Works constitute connected transactions for the Company under Chapter 14A of the Listing Rules.

Since the Fire Services Installation Works will be conducted on normal commercial terms and all the relevant percentage ratios calculated pursuant to Rule 14.07 of the Listing Rules in respect of the Fire Services Installation Works are less than 0.1%, the Fire Services Installation Works are fully exempt from all disclosure requirements under Chapter 14A of the Listing Rules.

Since the Town Gas Installation Works will be conducted on normal commercial terms and all the relevant percentage ratios calculated pursuant to Rule 14.07 of the Listing Rules in respect of the Town Gas Installation Works are less than 0.1%, the Town Gas Installation Works are fully exempt from all disclosure requirements under Chapter 14A of the Listing Rules.

As the Fire Services Installation Works, if aggregated with the Town Gas Installation Works, one of the relevant percentage ratio(s) calculated pursuant to Rule 14.07 of the Listing Rules is greater than 0.1% but less than 5%, the transactions in respect of the Fire Services Installation Works and the Town Gas Installation Works are subject to the reporting and announcement requirements and exempt from the circular (including independent financial advice) and shareholders' approval requirements under Chapter 14A of the Listing Rules.

## **THE FIRST LETTER OF NOMINATION**

On 1st April 2022, U-Tech (a wholly-owned subsidiary of the Company) had countersigned and returned to Ultra Keen the First Letter of Nomination in respect of the confirmation of the nomination of U-Tech as the sub-contractor to carry out Fire Services Installation Works at the Property.

Under the terms of the First Letter of Nomination, U-Tech shall carry out the Fire Services Installation Works at the Property for the fixed contract sum of HK\$49,194,250. In addition, U-Tech may provide optional maintenance service for the Fire Services Installation Works for the first five years after the expiry of the defects liability period at a yearly rate of HK\$19,670. As such, the maximum contract sum for the Fire Services Installation Works is HK\$49,292,600, comprising the fixed contract sum and the aggregate fees for the optional maintenance service.

The consideration amount was arrived at through the tender process and was determined with reference to the prices and terms normally offered by U-Tech to independent third party customers and is no less favourable to the Group than those offered by the Group to its other independent third party customers. The contract sum will be payable to U-Tech by instalments in accordance with market practice, based on the progress of the Fire Services Installation Works performed by U-Tech.

According to the First Letter of Nomination, U-Tech will subsequently enter into a sub-contract with the Main Contractor. It is expected that such sub-contract would contain similar terms as those set out in the First Letter of Nomination, except that the terms and conditions of the carrying out of the Fire Services Installation Works at the Property (including the timing of payment of the contract sum and the specifications of the Fire Services Installation Works) will be set out in more detail. Upon the entering into by U-Tech of the sub-contract with the Main Contractor, Ultra Keen will be released and discharged from all claims and demands whatsoever under the First Letter of Nomination, and such liabilities will be transferred to the Main Contractor.

## **THE SECOND LETTER OF NOMINATION**

On 1st April 2022, Alpha Idea (a wholly-owned subsidiary of the Company) had countersigned and returned to Ultra Keen the Second Letter of Nomination in respect of the confirmation of the nomination of Alpha Idea as the sub-contractor to carry out Town Gas Installation Works at the Property.

Under the terms of the Second Letter of Nomination, Alpha Idea shall carry out the Town Gas Installation Works at the Property for the fixed contract sum of HK\$31,508,800. Such consideration amount was arrived at through the quotation process and was determined with reference to the prices and terms normally offered by Alpha Idea to independent third party customers and is no less favourable to the Group than those offered by the Group to its other independent third party customers. The contract sum will be payable to Alpha Idea by instalments in accordance with market practice, based on the progress of the Town Gas Installation Works performed by Alpha Idea.

According to the Second Letter of Nomination, Alpha Idea will subsequently enter into a sub-contract with the Main Contractor. It is expected that such sub-contract would contain similar terms as those set out in the Second Letter of Nomination, except that the terms and conditions of the carrying out of the Town Gas Installation Works at the Property (including the timing of payment of the contract sum and the specifications of the Town Gas Installation Works) will be set out in more detail. Upon the entering into by Alpha Idea of the sub-contract with the Main Contractor, Ultra Keen will be released and discharged from all claims and demands whatsoever under the Second Letter of Nomination, and such liabilities will be transferred to the Main Contractor.

So far as the Company is aware, the Main Contractor is a third party independent of the Company and its connected persons.

## **REASONS FOR AND BENEFITS OF THE TRANSACTIONS**

## **LISTING RULES IMPLICATIONS**

As Ultra Keen is indirectly owned as to 30% by Henderson Land, a controlling shareholder of the Company, it is an associate of Henderson Land and therefore a connected person of the Company under the Listing Rules. Accordingly, the Fire Services Installation Works and the Town Gas Installation Works constitute connected transactions for the Company under Chapter 14A of the Listing Rules.

As Dr. Lee Ka-kit and Dr. Lee Ka-shing have deemed interests in the securities of Henderson Land under the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong), they are regarded to be materially interested and had abstained from voting in the meeting of the Directors on the resolutions approving the above.
