(6 June 2012, 11:50) After continuous emergency repair efforts over the last two days, Towngas has restored full gas supply to all affected residential estates and commercial customers in Tai Po by 11:35am today.

King Nga Court
Wan Tau Tong Estate
Elegance Garden
Uptown Plaza
Classical Gardens

Dynasty View
The Balmoral
Grand Palisades

JC Castle

The incident occurred on 4 June. The bursting of a 150mm saltwater pipe outside Hong Kong Teacher's Association Lee Heng Kwei Secondary School on Hiu Wan Road propelled water into a large area of a low-pressure gas network in the district. As a result, gas supply to some residential estates and commercial customers had to be temporarily shut down.
