1. Select "**eService**" from the bottom menu of the app.
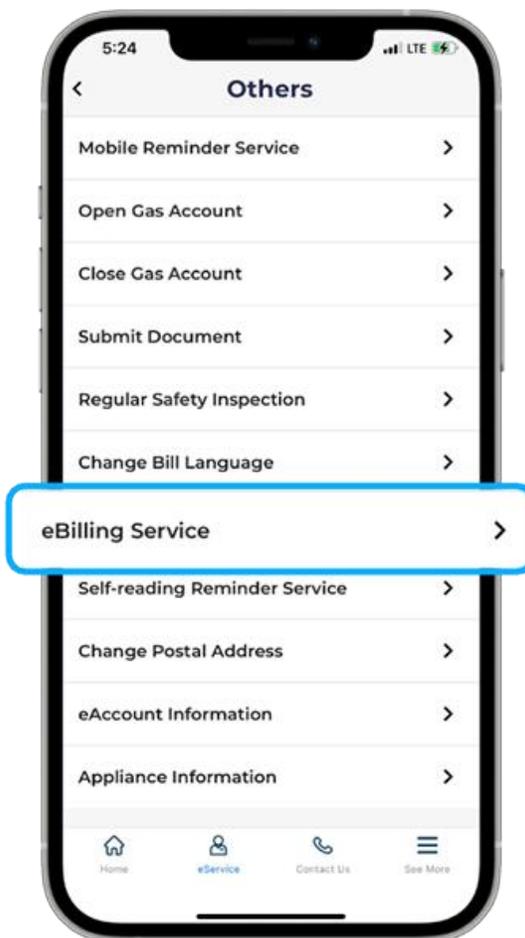

2. Select "**Others**" from the "Services" section, then select "**eBilling Service**".
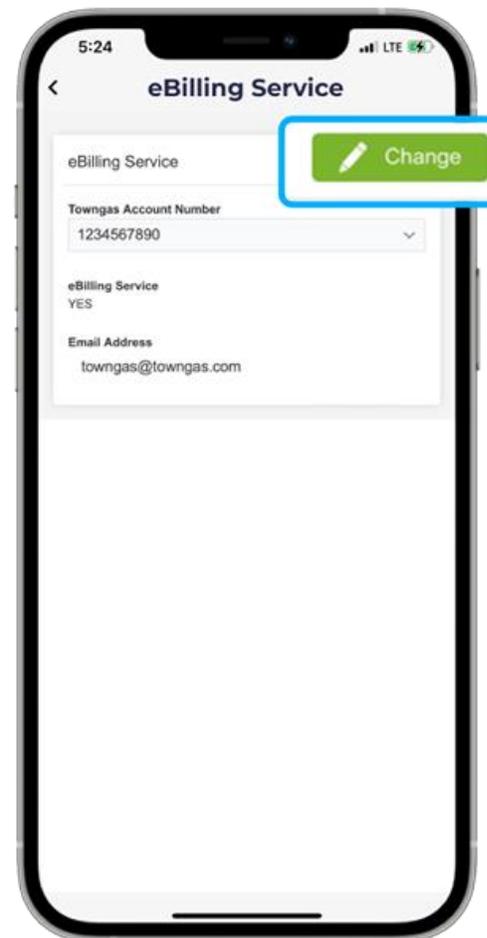

3. Select "**Change**" after entering the page, then select the corresponding Towngas account number. Make sure "**eBilling Service – Yes**" has been selected, and the email address has been entered. If you have not yet applied for the eBilling service, please provide your email address and click "**Submit**".
